

Estas fichas están desarrolladas según las necesidades que han ido surgiendo. Son un ejemplo más de lo que podemos hacer para explicar a estos alumnos un concepto tan abstracto como son las unidades y las decenas.

Se recomienda imprimir las en cartulina, recortarlas y plastificarlas para poder utilizarlas de forma manipulativa.

Podemos trabajarlas conjuntamente con las actividades: números 1_5; 6_10; 11_15; 16_20,...

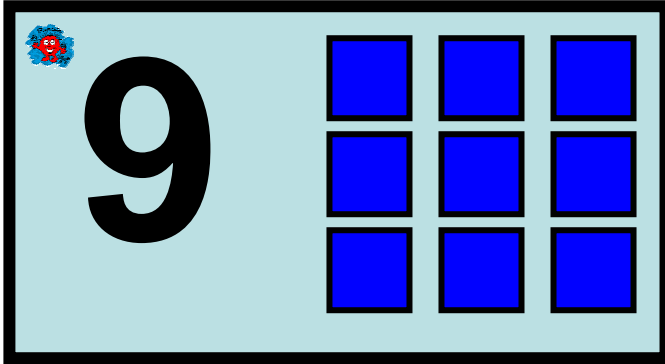

Espero que te sirvan

Un saludo

Lucía Gómez García

9

A large black number 9 is on the left. To its right is a 3x3 grid of 9 blue squares. A small cartoon character is in the top-left corner.

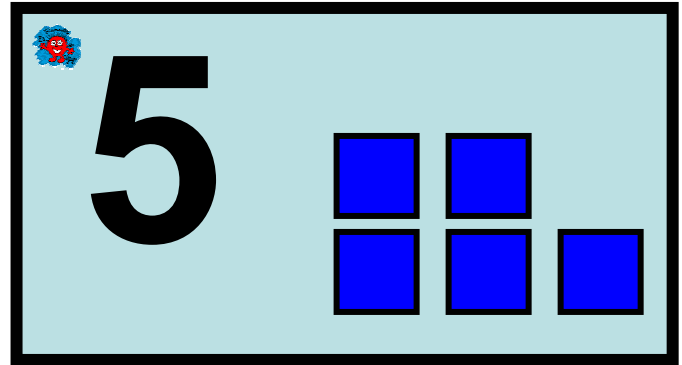

6

A large black number 6 is on the left. To its right is a 2x3 grid of 6 blue squares. A small cartoon character is in the top-left corner.

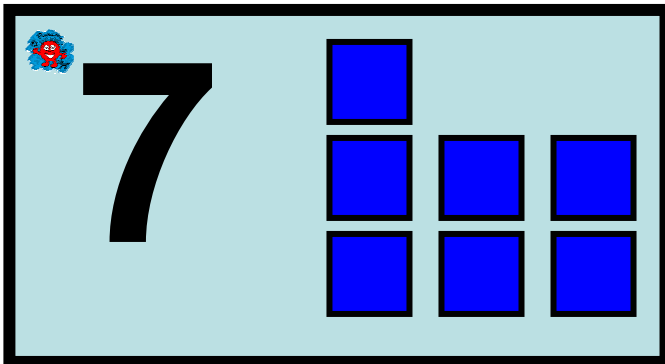

8

A large black number 8 is on the left. To its right is a 3x3 grid of 9 blue squares, with the top-right square missing, leaving 8 blue squares. A small cartoon character is in the top-left corner.

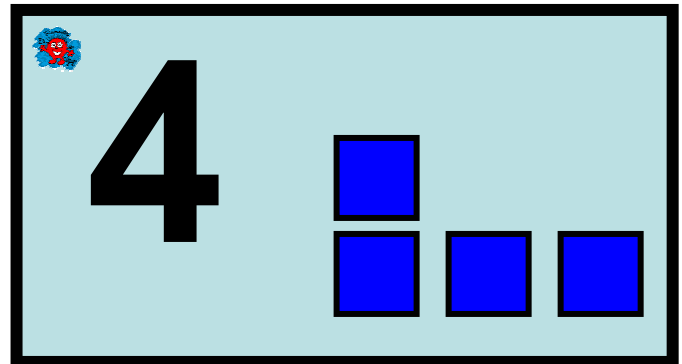

5

A large black number 5 is on the left. To its right is a 2x3 grid of 6 blue squares, with the top-right square missing, leaving 5 blue squares. A small cartoon character is in the top-left corner.

7

A large black number 7 is on the left. To its right is a 3x3 grid of 9 blue squares, with the top-right square missing, leaving 8 blue squares. A small cartoon character is in the top-left corner.

4

A large black number 4 is on the left. To its right is a 2x3 grid of 6 blue squares, with the top-right square missing, leaving 5 blue squares. A small cartoon character is in the top-left corner.
