

Estas actividades están ordenadas según las necesidades que han ido surgiendo en las clases, por tanto podemos trabajarlas de muy diferentes maneras.

En la actividad del dictado se intenta que éste se trabaje de tres formas:

- 1.- a nivel oral (sin apoyos)
- 2.- a nivel de L.S.E. (sin apoyos)
- 3.- a nivel de Lectura labial (sin apoyos).

La estructura de los signos en las frases está escrita en bimodal ya que lo que pretendemos es un correcto aprendizaje de la Lengua Oral.

Si tienes otro tipo de idea para que se aprendan las emociones, no dudes en ponerte en contacto conmigo.

Espero que te sirvan

Un saludo

Lucía Gómez García
